

FilGrad 2022

Filipinx Graduation Ceremony, University of Hawai'i at Mānoa

The Filipinx Graduation (FilGrad) ceremony at the University of Hawai'i at Mānoa (UH Mānoa) is a new tradition in its fifth year. This celebration seeks to highlight the rich history and contributions of Filipinx in Hawai'i. FilGrad puts the spotlight on Filipinx students who have reached the requirements to receive a degree at any level of higher education. Unlike any other commencement ceremony, FilGrad is put together by the graduates for the graduates. The bond between the students to reach this momentous day makes it an accomplishment on its own.

The rate of Filipinx college graduates in the United States is far different from that in the Philippines. Only half of those who enter as first-year student at a university of higher education receive a college degree. Surrounded by family, friends, and loved ones, these students who participate in FilGrad are in turn thanking those around them for the help, support, love and inspiration they received in their lives. This year FilGrad will be held on Friday, May 13, 2022 from 12:00 pm to 3:00 pm with the location to be announced.

In order for graduates to be able to organize this special graduation ceremony, we are asking for your support. One of the ways in which you can help us is through sponsorship.

By becoming a sponsor for our FilGrad this year, your monetary donation (or in-kind donations) will benefit our graduates, and will aid in decreasing the costs of our FilGrad event. There are several levels of sponsorship that we have available, all of which are tax deductible. If you would like to be a sponsor, please see the different levels below and complete the attached form.
